FOR IMMEDIATE RELEASE

Fuda Faucet Obtains CE Marking

Yiyang, Jiangxi Province, China, - May 30, 2008 – Fuda Faucet Works, Inc. (OTC BB: FUFW) (“Fuda Faucet” or “the Company”), a Chinese company engaged in the business of developing, manufacturing, marketing and distributing mid-tier European style brass faucets, spouts and fittings to the international markets, today announced that it has obtained the use of CE marking for its faucets.

The Company was granted the use of the CE marking on March 18, 2008. According to cemarking.net, the CE mark is a conformity marking consisting of the letters "CE". The CE marking applies to products regulated by certain European health, safety and environmental protection legislation. The CE marking is obligatory for products it applies to: the manufacturer affixes the marking in order to be allowed to sell his product in the European market. The CE marking (an acronym for the French "Conformite Europeenne") certifies that a product has met EU health, safety, and environmental requirements, which ensure consumer safety. To obtain the CE mark Fuda Faucet's faucets had to pass the CE marking testing standards.

“We are pleased to obtain the right to use of CE marking, which will enhance our ability to market our products to the European Union as well as to other countries that recognize the mark as a sign of quality and safety,” said Ms. Yiting Wu, CEO of Fuda Faucet. “The CE marking is a symbol of quality and is recognized by consumers throughout the world.” added Ms. Yiting Wu.
